## 1. Acceptance of Terms

By accessing or using the HourX website and online platform, you agree to be bound by these Terms & Conditions and our Privacy Policy. If you do not agree, you must stop using the platform.

## 2. Platform Description

HourX is an on-demand home services platform operating in Dubai, UAE. The platform connects users with independent, qualified third-party service providers offering cleaning, maintenance, repair, and other home-related services. HourX coordinates bookings but does not employ service providers.

## 3. Eligibility

You must be at least 18 years old and have the legal capacity to enter into a binding contract under UAE law to create an HourX account or book a service. By using the platform, you confirm that you meet this requirement.

## 4. User Obligations

Users must:

- Provide accurate and up-to-date information
- Ensure safe and accessible premises
- Comply with UAE laws
- Use the platform only for lawful purposes
- Treat service providers respectfully

## 5. Account Registration

To book or purchase any services, users must create an HourX account on the website.

By creating an account, you agree to:

- Provide accurate personal details
- Maintain confidentiality of login credentials
- Accept responsibility for all activity under your account
- Notify HourX of any unauthorized access

HourX may suspend or terminate accounts involved in fraud, misuse, or violations of these Terms.

You may close your HourX account at any time by contacting HourX support. Closing your account does not cancel or refund any existing bookings — those remain subject to the Cancellation, Rescheduling & Refund Policy in Section 8 below.

## 6. Services & Booking

Services are performed by independent, qualified professionals.

HourX manages scheduling, coordination, and communication through the website.

Service availability depends on provider schedules and location.

Users must ensure the premises are safe and accessible.

## 7. Payments & Fees

All payments are processed securely through Stripe.

HourX does not store or access card information.

Additional charges may apply for extra tasks, extra time, special materials, or access-related costs.

Any such additional charges will be communicated to the customer for approval before being applied.

HourX and its service providers will not charge additional amounts without the customer's prior consent, except where a rate for likely extras (e.g., a per-hour extension rate) has already been disclosed at booking.

Value Added Tax (VAT): prices displayed on the platform are inclusive of UAE VAT at the applicable rate. Customers may request a tax invoice for a completed booking by contacting HourX support.

## 8. Cancellations, Rescheduling & Refunds

All cancellations, rescheduling, and refunds follow the HourX Service Policies outlined below.

### 8.1 Stripe Processing Fees (Non-Refundable)

All payments are processed securely through Stripe. Stripe deducts its processing fee immediately, and this fee is non-refundable.

Stripe fee: **3.9% + 1 AED** per transaction, applied to all cards.

For cancellations made more than 6 hours before the scheduled service, refunds are issued minus the Stripe fee.

HourX absorbs the Stripe fee only when HourX cancels the booking.

### 8.2 Cancellation Timing & Applicable Refunds

#### Instant Cancellation or Rescheduling Grace Period (Within 10 Minutes of Booking)

- Customers may cancel or reschedule their booking within 10 minutes of placing it, regardless of how soon the service is scheduled to begin.

If cancelling, a refund will be issued minus Stripe's non-refundable processing fee. If rescheduling instead, there is no charge — see Section 8.3.

This protects customers who book by mistake or change their mind immediately after booking.

#### Cancellation Made More Than 6 Hours Before the Service Time

- If a customer cancels more than 6 hours before the scheduled service time, they are eligible for a refund.

Because Stripe's processing fee is non-refundable, the refund will be issued minus the Stripe fee charged at the time of payment:

Refund = booking amount – (3.9% + 1 AED)

### **Cancellation Made Less Than 6 Hours Before the Service Time**

- If a customer cancels within 6 hours of the scheduled service time, the booking becomes non-refundable.

Refund amount: **0%**

Customers may choose one of the following:

- Reschedule the booking (only if requested more than 3 hours before service)
- Cancel the booking and receive no refund

## **8.3 Rescheduling Policy**

### **Rescheduling Within 10 Minutes of Booking**

Customers may reschedule their booking within 10 minutes of placing it at no additional cost, regardless of how soon the service is scheduled to begin — this mirrors the grace period in Section 8.2 and takes priority over the time-based rules below, even if the booking already falls inside the 3-hour or 6-hour windows.

### **Rescheduling more than 3 hours before the scheduled service**

Customers may reschedule more than 3 hours before the scheduled service time at no additional cost. The original payment remains valid for the new service time.

### **Rescheduling less than 3 hours before the scheduled service**

If a customer requests to reschedule less than 3 hours before the scheduled service time, rescheduling is not allowed. Because service providers have already allocated time and resources, the booking becomes non-refundable.

In this situation, customers may choose one option:

- Cancel the booking and receive no refund

### **HourX-initiated rescheduling**

HourX may reschedule a booking due to provider unavailability, operational issues, safety concerns, incorrect booking details, or force majeure events. Customers may accept the new time or request a full refund.

## **8.4 HourX-Initiated Cancellations**

HourX may cancel a booking when the service cannot be delivered safely or correctly. In these cases, customers receive a full refund, including the Stripe fee.

Reasons may include:

- Provider unavailability
- Operational or technical issues
- Safety concerns
- Incorrect or incomplete booking details
- Service not applicable
- Force majeure events

Refunds are issued to the original payment method and typically take 5–10 business days.

### **8.5 Refund Method and Timeline**

Refunds are processed back to the original payment method.

Processing times depend on the customer's bank and typically take 5–10 business days.

Customers receive an email confirmation once the refund is initiated.

### **8.6 Non-Refundable Situations**

No refund will be issued when:

- Cancellation is made less than 6 hours before the service
- The customer does not provide access to the premises
- The premises are unsafe or inaccessible
- Fraudulent or abusive booking behavior occurs

### **8.7 Policy Updates**

HourX may update this policy to remain compliant with UAE regulations and ensure fair treatment for customers and service providers.

## **9. Property Damage & Insurance Claims**

If a customer believes their property has been damaged during a service, they must report the issue to HourX within 24 hours of service completion, including photographic evidence where possible. HourX will coordinate with the relevant service provider (and their liability insurance, where applicable) to investigate the claim. HourX's role is limited to facilitating communication between the customer and the service provider/insurer and does not itself guarantee a compensation outcome.

## **10. Limitation of Liability**

To the maximum extent permitted by UAE law:

- HourX is not liable for indirect, incidental, or consequential damages
- HourX is not responsible for losses caused by third-party providers
- Providers are solely responsible for their actions and conduct

## **11. Indemnification**

Users agree to indemnify and hold HourX harmless from claims, damages, or losses arising from:

- Misuse of the platform
- Violation of these Terms
- Misconduct toward service providers
- Breach of applicable laws

## **12. Force Majeure**

HourX shall not be liable for any failure or delay in performance resulting from causes beyond its reasonable control, including but not limited to natural disasters, government actions, epidemics or pandemics, strikes, or internet/utility outages.

## **13. Intellectual Property**

All content, branding, software, and materials on the HourX website are owned by HourX and protected under UAE intellectual property laws. Users may not copy, distribute, or modify any platform content.

## **14. Governing Law**

These Terms & Conditions are governed by the laws of the United Arab Emirates.
